Employee Survey

Thank you to everyone who took part in our 2025 Employee Survey!

We had a fantastic response, with 210 of you sharing your thoughts—thank you for taking the time.

We're currently reviewing all the feedback and identifying key themes to help shape a meaningful action plan. Our aim is to recognise what we're doing well and focus on improving areas that need attention—quickly and effectively.

Here's a quick snapshot of what you told us:

What's working well:

- Friendly and supportive colleagues and managers
- A good work-life balance
- Opportunities for development
- Clear expectations of teams

Areas for improvement:

- Concerns about wage inflation
- Lone working
- Equipment
- Access to development opportunities

We'll be reviewing each of these areas carefully and will come back to you with an update in September.

Thanks again for your input and for helping us build a better place to work.
