Succession planning is essential for a company that values its employees and supports the growth pipeline of a company like ours. We are delighted and extremely proud of our track record to promote from within and Connor Middleton forms part of our latest success story.

Connor was AHM at Cardiff and has been nurtured and developed by Shannon Waltho who has also successfully risen through the ranks and is first hand at recognising the key skills required to be a successful manager.

Connor joined us as a team member, was promoted to AHM in Cardiff and once again has been promoted to Acting Hotel Manager at our Liverpool hotel.

We thank Shannon for having a keen eye in spotting talent and wish Connor continued success in his new role.
